

Join the CACI Team!

DHS Hiring Invitational Thursday, April 26, 2018 Washington, D.C.

(9:00 a.m. - 12:00 p.m.) and (3:00 p.m. - 7:00 p.m.)

CACI has an exciting opportunity for qualified candidates to join our growing Department of Homeland Security team.

CACI is supporting DHS in both classified and unclassified IT operational environments, increasing availability and security for a variety of applications and systems. Our programs provide the government performance-based services, security engineering, software development, systems engineering, identity and access management, information assurance, asset management, IT facility build-outs, service desk, project management, network engineering, disaster recovery/continuity of operations, and more.

All new hires must be able to obtain a DHS Entry On Duty (EOD) access, and some positions require a current Secret or Top Secret clearance.

We are currently accepting applications for the following:

- Service Desk Analyst (Mid & Senior Level)
- End User/Field Technicians (Mid & Senior Level)
- Network Positions (NOC Environment- All Shifts Available)- minimum Secret clearance required, TS/SCI preferred
- Cybersecurity Positions (SOC Environment- All Shifts Available) - minimum Secret clearance required, TS/SCI preferred

All selected candidates will be contacted directly with further details regarding this event.
