Program Objectives

The CVS Health® Specialty Pharmacy Residency Program provides a unique opportunity to work with a premier specialty pharmacy provider, while increasing knowledge of specialty pharmacy and managed care practices. The resident will interact with a multitude of internal areas, including specialty innovation, clinical development, performance management and training, pharmacy operations, analytics and outcomes and clinic-based work.

AT THE CONCLUSION, THE RESIDENT WILL BE ABLE TO

• Understand specialty pharmacy’s role in managing the needs of patients with complex, rare or genetic disorders that require treatment with specialty medications

• Develop, implement and manage specialty clinical programs that optimize clinical outcomes

• Identify, develop and implement pharmacy process improvement and training programs

• Proactively analyze data to identify opportunities for additional pharmacy management services

• Design outcomes analyses that demonstrate the value of specialty pharmacy

• Interact directly with clients, consultants and internal sources, and make recommendations that help manage and improve clients’ health care costs

• Understand specialty pharmacy operations, including pharmacy care management and dispensing processes

• Organize and precept advanced practice pharmacy student rotations

CANDIDATE REQUIREMENTS

• Focused interest in academia and specialty pharmacy

• Creative and innovative mindset

• Excellent communication and presentation skills

• Knowledge of Microsoft Office Suite®

• Strong analytical skills, ability to evaluate large data sets

• PharmD candidate from a U.S. accredited program

• Maine licensure (or eligible)

• Desire to learn and commit to a one-year structured training program

• Travel for client meetings, training programs, and professional meetings and conferences

• Understand specialty pharmacy operations, including pharmacy care management and dispensing processes

• Organize and precept advanced practice pharmacy student rotations

PROGRAM COMPENSATION

• Reimbursement for business-related travel

• Comprehensive medical plan

• Life insurance

• Two weeks paid vacation

• Holidays

• Flexible spending account program for health and dependent care expenses

RESIDENCY DURATION
